Principal's Message

Dear Parents and Caregivers
 Greetings, Tena Koutou, Malo-e-lei lei

Our students have completed their testing and the results will be discussed with them so that they can set specific goals for each learning area. We will be having our parent interviews during week 7 where you will meet the teacher to discuss the way forward for your child. There will be no homework centre during this period. Please complete the slip to have a time slot allocated to you.

We have also had the public health nurse visit our senior students to inform them about immunisation. A form is to be completed and returned as soon as possible. Also on a health note – we would appreciate it if you could check your children for head lice. Students are also requested to wear a swim cap when they are in our swimming pool.

Thank you to all parents who have indicated to assist with the PTA, your participation makes fundraising easier. A reminder from the PTA: Easter Raffle - tickets were sent home last week one sheet per family. Additional sheets are available at the office with a maximum of 10 sheets at a time. More can be given as the sold ones are returned with payment. Please remember these and the egg donation need to be in by Friday 16th of March. If you are able to assist in selling the extra tickets at Countdown on the 19th and 23rd this would be greatly appreciated. PTA AGM - this is to be held near the end of March please watch for the date in the calendar and on Facebook.

Our students will be camping over on Thursday – Please ensure that they have the necessities. There will be no homework centre on Thursday 1 March 2018.

It is still a month away, but please avail yourself, with your children, for our Whole School Sunday Mass on 8 April 2018. Your participation is a commitment to our school ethos.

Kind regards
 Richard Truter
 Principal
