Principal's Message

Dear Parents and Caregivers

Greetings, Tena Koutou, Malo-e-lei lei

Thank you to the PTA for their continued support in fundraising activities – the pool party was successful and the Easter raffle is winding up.

We had some of our accomplished swimmers participating with Selwyn Park and Tangowahine Schools at the Town pool and the rest of our students participated in water activities at school.

A Northland Sports facilitator was busy with our students assisting with Rippa rugby programme.

Our students are learning to also stay healthy by being exposed to healthy lunches which are prepared by with donations from parents.

Our students are busy with reaching out to the community to raise funds for various activities eg: Caritas, EOTC and some second hand clothing will be donated to various organisations. They will continue to fundraise so please support their garage sale.

Some of our students have also participated in Stations of the Cross at our Church and have created palm crosses for Palm Sunday which were donated to five churches in the community.

Please ensure your child is doing a bit of reading, spelling and basic facts at home – there are many of our students who have not put any extra effort in as this is evident after the testing of spelling and especially maths.

On a more personal note, please keep a check on your child for head lice, as it has been found in a couple of students. If you require more information on treating this contact us at the school office, and we can put you in touch with a health organisation that suits your requirements.

Room 5, Tongariro Trip deposit of \$100, needs to be paid to the office by Week One of Term Two.

If there are any concerns please contact Mrs Scott in the office.

It is still two weeks away, but please avail yourself, with your children, for our Whole School Sunday Mass on 8 April 2018. Your participation is a commitment to our school ethos.

Kind regards

Richard Truter

Principal
