Principal's Message

Dear Parents and Caregivers

Greetings, Tena Koutou, Malo-e-lei lei

We have come to the end of term and had our final Whole School mass on Sunday which was well supported by our parents and students. I also thank all of you who have contributed to our children's learning, be it donations, camping out, helping with activities and especially assisting our students with their reading, spelling and basic facts homework. We are also thankful for the continued support given by the PTA and supporting parents in their endeavours to raise funds for all our students' (EOTC) Education Outside The Classroom activities.

Because of the inclement weather the soccer tournament for our juniors is postponed to 8 May and we will determine whether our triathlon goes ahead on the day.

Please be vigilant with your child's scratches and scrapes, as we have had some students injuries turn into school sores. If you are unsure please contact your local doctor or nurse.

Term two commences on Monday 30 April and you are reminded of to please adhere to the requirements for the appropriate winter uniform – black shoes with navy blue or black socks for boys, white socks for girls, plain navy blue shorts or track pants (no stripes or colour piping allowed).

No leggings when wearing skorts will be allowed and our school polar fleece, to keep warm, is a requirement.

If you have any concerns regarding your child's learning, please do visit us as we have an open door policy.

Keep safe, enjoy your children for the holidays and we look forward to another exciting term of learning.

Kind regards

Richard Truter

Please ensure that you always monitor what your kids are looking at online.

This is our school.

Let peace dwell here.

Let the room be full of contentment.

Let love abide here.

Love of one another, Love of mankind, Love of life itself,

And love of God.

And help us remember

That as so many hands build a house

So many hearts build a school.

Amen.
